Clear Map

[Map's height : [Short](#) - [Tall](#)]

Qibla Direction: 292.53°
from North of the **map**, not compass

Map's Center

Latitude: 3.23
Longitude: 101.43

How to Use

Start by entering the name of your **city** and **country** (e.g. Kuala Lumpur, MY). For many countries and cities, you can even enter your **street address** (e.g. Rainbow St. 12, Kingsford, Sydney, AU). The **qibla direction** will be automatically calculated and displayed on the map.

1. Cari lokasi yang ingin diperiksa
2. Tekan '+' untuk Zoom In, '-' untuk Zoom Out
3. Guna Arrow untuk bergerak kekiri atau ke kanan
